Explanation of Screenshots:

1. **Welcome Page:** The user is greeted and sees an "ORDER HERE" link and a list of orders.
2. **Order Page:** Clicking "ORDER HERE" takes the user to a page where they can enter the cake name and quantity.
3. **Submission Confirmation:** After submitting, options to edit or delete the order are shown.
4. **Database Update:** The submitted order is saved in the database.
5. **Edit Page:** Clicking "edit" opens a page with the order details, allowing changes.
6. **Update Confirmation:** Clicking "update" returns the user to the main page with a message saying, "order updated successfully."
7. **Database Update:** Any edited details are saved in the database.
8. **New Order Example:** For example, if "Strawberry" is ordered, the order appears with options to edit or delete.
9. **Database Record:** The order is displayed in the database.
10. **Delete Confirmation:** Clicking "delete" asks the user to confirm the deletion.
11. **Database Deletion:** The order is removed from the database after confirmation.

Page Overview:

1. **Welcome Page:** Greets the user.
2. **Order Page:** For placing cake orders.
3. **Edit Page:** For updating orders
